

## MATS Distribution Request Form (Annual Subscription)

Given the ongoing and significant cost of producing paper copies of MATS, non controlled copy holders are encouraged to utilise the online version of MATS by either viewing the content directly online or saving an uncontrolled version locally (right mouse click 'Save Target As'). Non controlled copy holders who wish to continue to receive paper copies of MATS are required to provide a brief business case for personal distribution, and obtain approval from their CO or Branch/Service Delivery Line Manager.

**Completed forms must be sent to CMAC3 or MATS Editor as detailed at the bottom of this form.**
